
Technical Datasheet

PP-114-Z1

1) Product Description:

- ✓ PP compound which is suitable for electrical sections

2) Application:

- ✓ Multi-way sockets and split electrical boxes
- ❖ it should be noted that this product has natural color and can be used purely in producing such electrical sections.

3) Typical data:

PROPERTIES	TEST METHOD	UNIT	TYPICAL VALUE
Ash content	ISO 3451	%	40±1
Tensile Strength at yield	ISO 527	MPa	19
Elongation at Break	ISO 527	%	130
Impact Strenght- notched	ISO 180	KJ/m ²	4.7
Flexural Modulus	ASTM D790	MPa	1650
